Punishments And their own communities? In this considered and carefully researched book, Joan Kimm discusses the extent and nature of the violence, its underlying causes, current policies that deal with it, and changes that might improve these policies. Her work covers: the devastating legacy of European colonialism on Indigenous culture, modern

argues powerfully that Aboriginal women, like all women, like all humans, have the universal right to lives free of violence.

She contends that current law, policy and practice place too much emphasis on their rights as Indigenous people and too little on their rights as women. A shift in emphasis will be an important first step to

This book traces the long-term genesis of the sixth-century Roman legal penalty of forced monastic penance. The late antique evidence on this penal institution runs counter to a scholarly consensus that Roman legal principle did not acknowledge the use of corrective punitive

# Download Ebook Appendix Cases On Traditional

confinement. Dr Hillner argues that forced monastic penance was a product of a late Roman penal landscape that was more complex than previous models of Roman punishment allowed. She focuses on invigoration of classical normative discourses around punishment as education through Christian concepts of

# Download Ebook Appendix Cases On Traditional

penance, on social uses of corrective confinement that can be found in a vast range of public and private scenarios and spaces, as well as on a literary Christian tradition that gave the experience of punitive imprisonment a new meaning. The book makes an important contribution to recent debates about the interplay
