This is volume 38 in the Berserk series and was the beginning of a new story arc. It was well done but not my favorite volume in the series; this series just keeps going on and on with no resolution or end in sight. The beginning of this book is all about Ricket ' s journey to Falconia to met Griffith.

Berserk — Chapter 38 | Read Berserk Manga Online

Guts, known as the Black Swordsman, seeks sanctuary from the demonic forces attracted to him and his woman because of a demonic mark on their necks, and also vengeance against the man who branded him as an unholy sacrifice. Aided only by his titanic strength gained from a harsh childhood lived with mercenaries, a gigantic sword, and an iron prosthetic left hand, Guts must struggle against his ...

Berserk Volume 38: Miura, Kentaro: 9781606703985...

This is volume 38 in the Berserk series and was the beginning of a new story arc. It was well done but not my favorite volume in the series; this series just keeps going on and on with no resolution or end in sight. The beginning of this book is all about Ricket ' s journey to Falconia to met Griffith.

First published in Japan in 2016 by Hakusensha, Inc., Tokyo.

Guts the Black Swordsman has again donned the accursed Berserker armor, and he ' ll need all its unholy power to battle the titanic Sea God — from the inside! As the creature takes on an army of beautiful merrow, Guts plunges deep within the God to find its sole vulnerability and pierce its living heart. But even if he can manage this impossible task deep within the leviathan, how will Guts get back out?

From creator Kentaro Miura comes Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime. To cure the afflicted Casca, Guts and company battle Elf Island's magical defenses and finally reach Elfhelm, where the elven ruler opens the Corridor of Dreams, projecting Schierke and Farnese into the forbidding wasteland of Casca's mind. But horrors lurk there, some more foul than any in the material world!

Two feudal kingdoms, Midland and Chuder, battle for supremacy in what will become the final clash in a century-long struggle. Spearheading the Midland forces is the Band of the Hawk, a legendary cadre of elite mercenaries led by the charismatic Griffith and with the fearless Guts as its berserker champion. The Hawks' ferocity, courage, and fearsome skills - not to mention Guts' enormous broadsword - are just what Midland needs to turn the bloody tide, but during the fray, Guts and Griffith's most trusted lieutenant, Casca, fall together from a cliff into a raging river. Miraculously, both barely survive, and Guts tends to Casca's wounds as she tells of having her life saved by Griffith, her induction into the Band of the Hawk, and her deep feelings toward Griffith. She even seems to finally be warming up to the grim Guts. But this greeting-card moment won't last long, for Chuder warriors are on the prowl, and the only greetings they carry are on the points of their spears!

The world of Guts, the Black Swordsman, is changing in a hurry. Though a demonic maelstrom has leveled the dreaded Tower of Conviction and ended the reign of terror of its grand inquisitor, Mozgus, peace has not returned to Midland. The Tower ' s fall has heralded the unexpected return of Griffith, Guts former leader, last seen transformed from a shattered husk into one of the demon lords of the Godhand. but Griffith looks like his old self again — and with his dreams of carving out a kingdom by his own hand still intact. He ' s raising a new Band of the Hawk, but this time he ' s recruiting from the dark side to fulfill his deadly destiny!

Desperate as Guts, the Black Swordsman, has been to reunite with his former captain and lover, the now-mad Casca, he ' s quickly learning that being together is as dangerous as being apart. What should be a simple journey to the safety of Puck ' s homeland proves to be a gauntlet of perils, as the Mark of Sacrifice each bears brings the fury of Hell down upon them, and Guts discovers that in his darkest moments he himself is the greatest danger to the woman he loves. Created by Kentaro Miura, Berserk is a fiery manga apocalypse, an ominous omnibus of furious action, fearsome horror, and funereal humor that strikes a power chord in the hearts of its devoted followers and strikes down the rest like a scythe through wheat. Bring in the sheaves!

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the dreamworld dangers are no mere phantasms of the unconscious--they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.

"Iba, a bright-spirited young historical scholar, disappears while on a lone expedition to study the ancient Silk Road ... A year later, his girlfriend Kyoko discovers that Iba is not only alive but is a warrior-slave under the reign of Genghis Khan in 13th century Mongolia"--P. [4] of cover.

The once unbeatable Band of the Hawk is smashed, and their former leader, Griffith, has made an unholy pact with the demon lords of the Godhand, sacrificing his former troops to resurrect his crippled body and ascend to stand in power beside these profane gods. The Invocation of Doom has unleashed a plague of unspeakable horrors upon the earth, and the first battle not only shatters the Hawks, but the hand of their champion, Guts, and the mind of their captain and Guts ' lover, Casca. And while time may heal some of Guts ' wounds, it will not heal his desire for vengeance. And his discovery of a gigantic, dragon-slaying sword might be just the ticket to deal out some king-sized paycheck! Also included in this volume: "Berserk Prototype," the very first Berserk story, created during Kentaro Miura ' s college days as his audition that sold the series!

Escaping the port city of Vritannis is no easy task, for even the finest ship is useless if it can't be reached, and a horde of Kushan monsters stalks the city's docks. Led by a powerful necromancer who has mastered both the elements and the monsters of the deep, this hideous brigade may be too much for Guts the Black Swordsman and his companions to handle, even if Guts and Schierke are able to join forces and control the awful wrath of the Berserker armor. And will it even matter, if the Kushan emperor makes Guts an offer he can't refuse?
