Computer Networking: A Top-Down Approach Kurose 6th ...

This can be done in simulated scenarios or in a "real" network environment such as the Internet. The Java applets in the textbook Web site take the first approach. In these Wireshark labs, we'll take the latter approach. You'll be running various network applications in different scenarios using a computer on your desk, at home, or in a lab.

Computer Networking: a Top Down Approach
