From the editors of domino magazine, two essential guides to interior design and decorating, now in one gorgeous gift package. Since launching in 2005, domino has attracted a fiercely loyal following, which looks to the brand as the definitive source for decorating and style. domino: The Book of Decorating, now with an updated resource section, takes readers room by room through a home, breaking down the elements of a successful design. domino: Your Guide to a Stylish Home dives deep into the specifics of home decorating, showing how to use key elements like rugs, lighting, and fabric to build a design. These two complementary volumes, both in the friendly and authoritative voice of domino, are full of lavish, four-color photography and art; sidebars; tips; tricks of the trade; and resources, making this boxed set the perfect gift for any home decorator.

From the moment when young Christopher Blackburn is prevailed upon to attend a seance at The Seekers' Temple a series of seemingly inexplicable and increasingly terrifying experiences gradually convinces him that he has been singled out by some unknown power which is bent on his destruction. But why? And what can he have which has attracted the attention of the sinister Guardians? In a desperate hunt for the answers to these questions Christoper learns for himself the old truth that no man is an island; the new one that it is possible to be in two times at the same place; and the sombre one that some of us are more responsible to posterity than we care to admit!

IBM ' s® Practical, Hands-On Guide to Supporting and Administering Lotus Notes and Lotus Domino This is the only book that focuses entirely on the specific technical, desk-side, and infrastructure issues that support professionals and administrators encounter when implementing and running Lotus Notes in production environments. Authored by one of IBM ' s top Lotus experts, it draws on the firsthand experiences of IBM professionals working in hundreds of client environments. Mark Elliott has created a true " encyclopedia " of proven resolutions to common problems and has streamlined processes for infrastructure support. Elliott systematically addresses support solutions for all recent Lotus Notes and Domino environments. Survival Guide for Lotus Notes and Domino Administrators is organized for rapid access to specific solutions in three key areas: client setup, technical support, and client software management. It brings together best practices for planning deployments, managing upgrades, addressing issues with mail and calendars, configuring settings based on corporate policies, and optimizing the entire support delivery process. Along the way, Elliott illuminates the administrative and support implications of the latest enhancements to Lotus Notes and Lotus Domino, in areas ranging from messaging to plug-in support. Whatever your role in managing, administering, or supporting IBM Lotus technologies, this book will help you respond more quickly, efficiently, and effectively—reducing support costs as you increase customer satisfaction. Coverage includes An overview to key software changes introduced in Release 8.0 Resolutions to dozens of error messages and other obscure issues Using the " Smart Upgrade " toolkit to automate upgrades Implementing policies to manage client settings and reduce administrative overhead Optimizing Lotus Notes performance and avoid user frustration Making the most of technical support tools and plug-ins Finding technical support and patches on the IBM developerWorks website Configuring Lotus Notes and supporting common activities

At home, high-school junior Travis Ellroy has to live up to the memory of his golden-boy brother who committed suicide. At school he faces constant pressure and ridicule from the jocks and their girlfriends. Then he meets Daniel, a new kid who doesn ' t seem afraid of anything. All Travis is good at is drawing, and praise from Daniel leads to a combustible friendship—one where manipulation makes Travis go to violent extremes to get what he thinks he wants and deserves most. Though you know Travis brings a gun to school from the first chapter, the events leading up to that day unfold with gripping tension, making this powerful debut novel impossible to put down.
