## Metaphors - The Grammar Guide

A metaphor is a figure of speech that describes an object or action in a way that isn't literally true, but helps explain an idea or make a comparison. Here are the basics: A metaphor states that one thing is another thing. It equates those two things not because they actually are the same, but for the sake of comparison or symbolism.

2020. A metaphor is a literary device writers use to make their writing more evocative. Without going into wordy explanations, a writer can use the figurative language of a metaphor for illustrative purposes or to highlight the similarities between two different ideas, activities, or objects. A metaphor is made up of two parts, a tenor, which is the subject of the metaphor, and the vehicle, which is the thing that illustrates the metaphor.
