NEW YORK TIMES BESTSELLER A long time ago in a galaxy far, far away. . . . A thrilling new adventure set between A New Hope and The Empire Strikes Back, and—for the first time ever—written entirely from Luke Skywalker's first-person point of view. Luke Skywalker's game-changing destruction of the Death Star has made him not only a hero of the Rebel Alliance but a valuable asset in the ongoing battle against the Empire. Though he's a long way from mastering the power of the Force, there's no denying his phenomenal skills as a pilot—and in the eyes of Rebel leaders

Princess Leia Organa and Admiral Ackbar, there's no one better qualified to carry out a daring rescue mission crucial to the Alliance cause. A brilliant alien cryptographer renowned for her ability to breach even the most advanced communications systems is being detained by Imperial agents determined to exploit her exceptional talents for the Empire's purposes. But the prospective spy's sympathies lie with the Rebels, and she's willing to join their effort in exchange for being reunited with her family. It's an opportunity to gain a critical edge against the Empire that's too

precious to pass up. It's also a job that demands the element of surprise. So Luke and the ever-resourceful droid R2-D2 swap their trusty X-wing fighter for a sleek space yacht piloted by brash recruit Nakari Kelen, daughter of a biotech mogul, who's got a score of her own to settle with the Empire. Challenged by ruthless Imperial bodyguards, death-dealing enemy battleships, merciless bounty hunters, and monstrous brain-eating parasites, Luke plunges head-on into a high-stakes espionage operation that will push his abilities as a Rebel fighter and would-be Jedi to the limit. If ever he needed the

dramatic mustaches and a taste for fancy cocktails, Al also has a unique talent. He's a master of ink and sigil magic. In his gifted hands, paper and pen can work wondrous spells. But Al isn't quite alone: He is part of a global network of sigil agents who use their powers to protect the world from mischievous gods and strange monsters. So when a fellow agent disappears under sinister circumstances in Australia, Al leaves behind the cozy pubs and cafes of Glasgow and travels to the Dandenong Ranges in Victoria to solve the mystery. The trail to his colleague begins to pile up with bodies at

As his personal life crumbles around him, he devotes his life to his work, all the while trying to crack the secret of his curse. But when his latest apprentice, Gordie, turns up dead in his Glasgow flat, Al discovers evidence that Gordie was living a secret life of crime. Now Al is forced to play detective—while avoiding actual detectives who are wondering why death seems to always follow Al. Investigating his apprentice's death will take him through Scotland's magical underworld, and he'll need the help of a mischievous hobgoblin if he's
