Before violence tore apart the tapestry of Sri Lanka and turned its pristine beaches red, there were two families. Yasodhara tells the story of her own Sinhala family, rich in love, with everything they could ask for. As a child in idyllic Colombo, Yasodhara's and her siblings' lives are shaped by social hierarchies, their parents' ambitions, teenage love and, subtly, the differences between Tamil and Sinhala people; but the peace is shattered by the tragedies of war. Yasodhara's family escapes to Los Angeles. But Yasodhara's life has already become intertwined with a young Tamil girl's... Saraswathi is living in the active war zone of Sri Lanka, and hopes to become a teacher. But her dreams for the future are abruptly stamped out when she is arrested by a group of Sinhala soldiers and pulled into the very heart of the conflict that she has tried so hard to avoid – a conflict that, eventually, will connect her and Yasodhara in unexpected ways. Nayomi Munaweera's Island of a Thousand Mirrors is an emotionally resonant saga of cultural heritage, heartbreaking conflict and deep family bonds. Narrated in two unforgettably authentic voices and spanning the entirety of the decades-long civil war, it offers an unparalleled portrait of a beautiful land during its most difficult moment by a spellbinding new literary talent who promises tremendous things to come.

Before civil war tears the tapestry of Sri Lanka apart, the lives of two young women from two very different families are fatefully linked by one chance encounter. In Colombo, Yasodhara lives a full life with her Sinhala family, rich in love and everything she could ask for, though shaped subtly by social hierarchies, her parents' ambitions, and the differences between the Tamil and Sinhala people. All is well until the family's serene existence is shattered by the outbreak of violence. Saraswathi, a Tamil, is living in the active war zone and dreams of becoming a teacher. But her hopes for the future are trampled when she is arrested by a group of Sinhala soldiers and pulled into the heart of a conflict she has tried desperately to avoid. A powerful saga that strikes mercilessly at the heart of war, Island of a Thousand Mirrors marks the arrival of a spellbinding new literary talent. 'By turns tender, beautiful, and devastating, Island of A Thousand Mirrors is a deeply resonant tale of an unraveling Sri Lanka. Incredibly moving, complex, and with prose you may want to eat, this debut is a triumph.' NoViolet Bulawayo, award-winning author of We Need New Names

"Straddling opposite side of the long and brutal civil war in Sri Lanka, two girls - one Sinhala, the other Tamil - navigate their histories, sibling rivalries and adolescent heartbreaks, the burdens of exile and belonging, and the harsh demands of survival. Written in stirring prose that evokes the beauty of the island country and the bloodshed that has destroyed it, Nayomi Munaweera's debut novel is a haunting tale of lives distorted by terrible violence."

In the idyllic hill country of Sri Lanka, a young girl grows up with her loving family; but even in the midst of this paradise, terror lurks in the shadows. When tragedy strikes, she and her mother must seek safety by immigrating to America. There the girl reinvents herself as an American teenager to survive, with the help of her cousin; but even as she assimilates and thrives, the secrets and scars of her past follow her into adulthood. In this new country of freedom, everything she has built begins to crumble around her, and her hold on reality becomes more and more tenuous. When the past and the present collide, she sees only one terrible choice. From Nayomi Munaweera, the award-winning author of *Island of a Thousand Mirrors*, comes the confession of a woman, driven by the demons of her past to commit a single and possibly unforgivable crime. Praise for *Island of a Thousand Mirrors*: "The paradisiacal landscapes of Sri Lanka are as astonishing as the barbarity of its revolution, and Munaweera evokes the power of both in a lyrical debut novel worthy of shelving alongside her countryman Michael Ondaatje or her fellow writer of the multigenerational immigrant experience Jhumpa Lahiri." - Publishers Weekly "The beating heart of *Island of a Thousand Mirrors* is not so much its human characters but Sri Lanka itself and the vivid, occasionally incandescent, language used to describe this teardrop in the Indian Ocean." - The New York Times Book Review

In this globe-scattered Sri Lankan family, we speak of only two kinds of marriage. The first is the Arranged Marriage. The second is the Love Marriage. In reality, there is a whole spectrum in between, but most of us spend years running away from the first toward the second. [p. 3] The daughter of Sri Lankan immigrants who left their collapsing country and married in America, Yalini finds herself caught between the traditions of her ancestors and the lure of her own modern world. But when she is summoned to Toronto to help care for her dying uncle, Kumaran, a former member of the militant Tamil Tigers, Yalini is forced to see that violence is not a relic of the Sri Lankan past, but very much a part of her Western present. While Kumaran's loved ones gather around him to say goodbye, Yalini traces her family's roots—and the conflicts facing them as ethnic Tamils—through a series of marriages. Now, as Kumaran's death and his daughter's politically motivated nuptials edge closer, Yalini must decide where she stands. Lyrical and innovative, V. V. Ganeshanathan's novel brilliantly unfolds how generations of struggle both form and fractures families. Praise for *Love Marriage* "A beautiful first novel. This intricately woven tale, with its universal themes of love and estrangement, presents an exciting new voice in American literature." –Yiyun Li, author of *A Thousand Years of Good Prayers* "Complex and moving . . . an impressive debut." –Daniel Alarcón, author of *Lost City Radio* "V. V. Ganeshanathan has given us a riveting picture of the intersections of love and war that shape us all. A debut of incredible passion and wisdom." –Rebecca Johns, author of *Icebergs* "At its best and simplest, Ganeshanathan can be profoundly moving. She captures the pain of exile poignantly." --The San Francisco Chronicle "Ganeshanathan has created a slow-burning and beautifully written debut in *Love Marriage*. It is an evocative examination of Sri Lankan cultural mores, and the way one family is affected by love and war" — The Financial Times "Poignant and authentic. . . . Insight gained into Toronto's Tamil community is a welcome bonus in this gem of a book by a young writer who is sure to present more thought-provoking, entertaining prose in the future." --The Toronto Star "The book is at times witty and always beautifully written" — The Irish Times "Innovative. . . .this is an ambitious family drama about an underreported part of the world, filled with well-shaded characters [and] gorgeous flourish. . . .Buy it." -- New York Magazine "As if she were stringing a necklace of bright beads, the author relates the stories of Yalini's Sri Lankan forebears in lapidary folkloric narratives. . . .What she does here, she does quite affectingly." -- The Boston Globe "In spare, lyrical prose, V.V. Ganeshanathan's debut novel tells the story of two Sri Lankan Tamil families over four generations who, despite civil war and displacement, are irrevocably joined by marriage and tradition. . . .Powerful." -- Ms. Magazine

One of Reader's Digest Best Summer Reads (US). Set against the backdrop of the Sri Lankan civil war, Ru Freeman's epic novel explores the lives of the diverse families that live on Sal Mal Lane and the heartbreaking ways this once harmonious community turns on one another with the country on the brink of war. On the day the Herath family moves in, Sal Mal Lane is a quiet street, disturbed only by the cries of the children whose triumphs and tragedies sustain the families that live there. As each neighbour adapts to the newcomers in different ways, the children fill their days with cricket matches, romantic crushes, and small rivalries. But when the tides of civil war begin to turn towards the neighbourhood, their differences ignite in ways no one could have imagined. As the stability of their neighborhood is threatened by clashing political beliefs and prejudices, the children of the community are forced to watch their parents and friends turn against one another. Seen through the children's eyes, the events on Sal Mal Lane come to mirror the course of modern Sri Lanka at its most violent and volatile. A powerful, evocative work, *On Sal Mal Lane* masterfully illuminates the origins of this war and explores the lengths family will go to protect one another.

Samanth Subramanian has written about politics, culture, and history for the New York Times and the New Yorker. Now, Subramanian takes on a complex topic that touched millions of lives in *This Divided Island*. In the summer of 2009, the leader of the dreaded Tamil Tiger guerrillas was killed, bringing to an end the civil war in Sri Lanka. For nearly thirty years, the war's fingers had reached everywhere, leaving few places, and fewer people, untouched. What happens to the texture of life in a country that endures such bitter conflict? What happens to the country's soul? Subramanian gives us an extraordinary account of the Sri Lankan war and the lives it changed. Taking us to the ghosts of summers past, he tells the story of Sri Lanka today. Through travels and conversations, he examines how people reconcile themselves to violence, how the powerful become cruel, and how victory can be put to the task of reshaping memory and burying histories.

"An extraordinary book. This dignified, just and unbearable account of the dark heart of Sri Lanka needs to be read by everyone." — Roma Tearne, author of *Mosquito* The tropical island of Sri Lanka is a paradise for tourists, but in 2009 it became a hell for its Tamil minority, as decades of civil war between the Tamil Tiger guerrillas and the government reached its bloody climax. Caught in the crossfire were hundreds of thousands of schoolchildren, doctors, farmers, fishermen, nuns, and other civilians. And the government ensured through a strict media blackout that the world was unaware of their suffering. Now, a UN enquiry has called for war crimes investigation, and Frances Harrison, a BBC correspondent for Sri Lanka during the conflict, recounts those crimes for the first time in sobering, shattering detail.
