Judo Games & Judo Training

This Judo game is great for improving balance, space awareness and learning how not to use brute force instead of skill. Tie 4 obi (belts) together and lay them on the mat in a square. I used to use 3 belts and try to keep them in a circle but a circle is too hard to maintain. A square with 4 belts is practically the same size as a circle.

It is a sport of balletic beauty and extraordinary violence - where else are you allowed to strangle an opponent unconscious?When Mark Law joined his local judo club he found himself able to observe at close quarters the sport practised at its highest level, as figures, grappled, whirled and flew through the air. His journey into judo then took him to Osaka, Japan, for the World Championships and to Athens for the Olympics. He explored the sport's origins in seventeenth-century Samurai culture and met some of the most single-minded and self-denying competitors of all time.Funny, alarming and mesmerising, The Pyjama Game is one of the best sports books of recent years.'This is damn fine stuff, and will entertain and enlighten an audience far beyond the confines of the dojo' Daily

Telegraph'It's lively, it's witty and, above all, so persuasively enthusiastic you'll find yourself feeling an intense urge to try it for yourself' Mail on Sunday

In this book, Roy Inman not only examines the basic rules and techniques of Judo, but also discusses his own original training methods for developing skills and linking techniques. Areas he covers include throws and groundwork, contest and random techniques, and how to deal with awkward opponents, left-handed fighters, and negative, defensive styles.

Teaching Fundamentals of Paralympic Judo is the first book examining the administration, training environment, and athlete instruction for Paralympic judo. This essential resource may be used by beginning and veteran coaches alike to maximize Paralympic judo instruction. This richly illustrated text depicting Paralympian judoka prepares the reader with vital instructional techniques and a detailed curriculum for beginning students. Although teaching techniques are geared toward Paralympic judo, the instructional methods are applicable to other grappling and adaptive sports. This book provides indispensable quick-reference sidebars, including warm-up, hydration, architectural features, learning by senses, lesson plans, communications, and peer

assistance / dog guides are provided.

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known marital arts figure in the world.

This is the first book to explore women's judo in all aspects, from the history and governance of the sport to cutting-edge sport science perspectives. The book examines the story of judo for women, and how the history of the sport has paralleled the cultural and social challenges faced by women in both the East and the West. It considers the issues of leadership and governance in contemporary women's judo, and the obstacles to stronger involvement for women in the sport as a whole, as well as the rules and competition structures that shape the sport today. The book also looks at the tactical and technical considerations of coaching women in judo, and the significance of the coach-athlete relationship, as well the physiology of the athlete - including the female athlete triad - and how that relates to

training, performance, technique and skill acquisition. A concluding chapter presents short biographies of the pioneering female judoka Rusty Kanokogi, Ingrid Bergmanns, Kaori Yamaguchi, Karen Briggs and Ryoko Tani. This is essential reading for anyone with an interest in martial arts or women's sport and a useful resource for those studying sport history, sociology of sport, gender studies and sport development and coaching.
