A New York Times bestseller by the author of *The Ninja: An American martial artist travels to Tokyo and becomes the target of an international conspiracy. When his best friend dies under suspicious circumstances, martial arts expert Nicholas Linnear vows revenge. And while he may look American, Linnear's childhood spent in the dojos of Japan taught him that vengeance must never be hurried. He takes a job for the billionaire industrialist who ordered the murder, planning to befriend his target during a trip to Tokyo. But even for a modern-day ninja, there is such a thing as too close for comfort. In the bustling city, Linnear finds far more to worry about than the intricacies of Japanese business. He is being pursued by a miko: a female assassin, part ninja and part sorceress, whose beauty is matched only by her skill in combat. FORGET WHAT YOU KNOW ABOUT THE NATURE OF MAGIC. In a world where an industrial revolution is powered by magic, Tyen, a student of archaeology, unearths a sentient book called Vella. Once a young sorcerer–bookbinder, Vella was transformed into a useful tool by one of the greatest sorcerers of history. Since then she has been collecting information, including a vital clue to the disaster Tyen's world faces. Elsewhere, in an land ruled by the priests, Rielle the dyer's daughter has been taught that to use magic is to steal from the Angels. Yet she knows she has a talent for it, and that there is a corrupter in the city willing to teach her how to use it -- should she dare to risk the Angels' wrath. But not everything is as Tyen and Rielle have been raised to believe. Not the nature of magic, nor the laws of their lands... and not even the people they trust. AN EPIC NEW FANTASY ADVENTURE BEGINS.

In a world where magic is dying, one young man will change the course of history. Odin Karussa has always dreamed of serving in the royal military. But gifted with magic, and a pair of blood–red eyes, he has been ostracized by his community since childhood, and branded by many as dangerous. When a chance meeting with a high mage lands him with an audience with the king, it will result in a change that will alter his life forever.

It's the year 2108, and the world has a different definition of being normal. In the year 2080, the people of the world gained unique abilities and magical powers. However, with this development, the corruption of the world grew. The spread of crime and murder increased all over the world. To fight the corruption of the world, the world's governments decided to rally together, and fight against this threat. They formed an army of people who have special powers, called SP Users, and magicians to combat the corruption of the world. They called this organization The World's Army Association. Thanks to the power of the World's Army Association, corruption has decreased in the world. As a result, the world became a peaceful place and began to flourish as time passed. However, peace isn't what it seems. The world on the outside looks normal, but it's horrible and full of discernment. The corruption of the world, which people thought was

The paradigm of Creation Spirituality offers a fresh approach to our spiritual journeys. In "Emerging Word," Donald Schmidt provides both an introduction to Creation Spirituality for those who may not be familiar with it, as well as a quick history of lectionary use in the Christian tradition and an overview of the church year. He then sets out scripture readings for each Sunday and major festival day of the year, based on the four paths of Creation Spirituality as outlined by Matthew Fox and others. Brief commentary for each set of readings provides rationale for the choice, and further invitation to see the world, the church, the Bible, and life in a new way. Whether you are familiar with Creation Spirituality, or simply curious about some of the emerging paradigms being explored in the church today, "Emerging Word" will challenge you. Less than a statement, "Emerging Word" is more an invitation to wonder, to contemplate, and to explore the story that the church has told, is telling, and can tell, as it seeks to be relevant in today's world. What is our faith story? Where is it taking us? Where can it take us? Those are the questions "Emerging Word" places before us.
