Lesson-per-page structure which is easy to use and saves valuable preparation time Teen-interest topics and personalized activities appeal to young learners Every lesson has an outcome: 'I CAN' statements at the top of each page build confidence by showing students what they will progressively achieve Speaking is integrated into all lessons to give students constant opportunities to speak Students get masses of practice from the Student's Book, Workbook, MultiROM, photocopiables, and the Student's website Build your students' confidence and improve their exam grades through an exam page at the end of every unit, and an interactive practice test on oxfordenglishtesting.com

Student Book: Specific listening and word skills lessons, to help develop well-rounded, confident communicators. Student Book: Additional resources, including exam skills trainer sections and extra speaking practice help consolidate what students have covered in the lessons. Student Book: Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achieve success. Student Book: Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice. Online Practice: A particular focus on more in-depth practice of grammar, vocabulary, reading, writing, listening, and speaking skills. Online Practice: Media-rich content (vox pops, vlogs, grammar animations) with interesting and engaging topics and texts. Online Practice: Automatic marking with instant feedback, and progress tracked in the gradebook to save time. Online Practice: Content aligned to the CEFR and the Solutions syllabus which complements and extends the contents of the book.

A new, refreshed edition of the five-level English course for teenagers, with a clear structure, supported approach to speaking, practice, and exam preparation still at its heart. Solutions has been thoroughly modernized with 80% new content to draw in students, embed the grammar and vocabulary presented, and engage them in the tasks. Its guided approach builds up every student's confidence, through step-by-step objectives, lots of practice, meaningful personalization activities, and exam preparation tasks. The course now embraces a wide range of teaching methods, furnishing the teacher with a flexible pick-and-choose package for use in the classroom, at home, and on the move. The digital elements of the course enliven the material and allow teachers to vary the pace and focus of their lessons. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level. The Solutions Second Edition DVD-ROM material and worksheets bring the language to life by taking it out of the classroom and into authentic settings.

Outcomes is a completely new general English course in which: Natural, real-world grammar and vocabulary help students to succeed in social, professional, and academic settings CEF goals are the focus of communication activities where students learn and practice the language they need to have conversations in English Clear outcomes in every lesson of every unit provide students with a sense of achievement as they progress through the course

"Testing your vocabulary needn't be boring! Use this book for self-study, or in the classroom, to check your progress as you build your vocabulary and become a confident speaker of English."--Editor.

A clear and effective approach to learning evidence-based DBT skills—now in a fully revised and updated second edition. Do you have trouble managing your emotions? First developed by Marsha M. Linehan for treating borderline personality disorder, dialectical behavior therapy (DBT) has proven effective as treatment for a range of other mental health problems, and can greatly improve your ability to handle distress without losing control and acting destructively. However, to make use of these techniques, you need to build skills in four key areas: distress tolerance, mindfulness, emotion regulation, and interpersonal effectiveness. The Dialectical Behavior Therapy Skills Workbook, a collaborative effort from three esteemed authors, offers evidence-based, step-by-step exercises for learning these concepts and putting them to work for real and lasting change. Start by working on the introductory exercises and, after making progress, move on to the advanced-skills chapters. Whether you're a mental health professional or a general reader, you'll benefit from this clear and practical guide to better managing your emotions. This fully revised and updated second edition also includes new chapters on cognitive rehearsal, distress tolerance, and self-compassion. Once you've completed the exercises in this book and are ready to move on to the next level, check out the authors' new book, *The New Happiness Workbook*.
