Much like the life's journey of a person transitioning from learning to giving back, the Dalai Lama's cat does more than discover and ruminate on the principles of Buddhism. In Book 4, she enacts them in thoughtful and proactive ways. His Holiness's Cat (HHC), aka The Most Beautiful Creature Who Ever Lived, gains another title, Therapy Cat.

delightful 4.5/5 First of all, a heartfelt “Thank You” to Namita Verma (especially) and other raccoons (generally, since I don’t remember all the names) who recommended this book so strongly to me. I have taken away the half point for one peculiar reason, which may only be due to my own interests in such matters, which I shall lay down later in this review.

A wonderful, warm story on the surface, The Dalai Lama's Cat quickly becomes much more. Rescued from near death by the Dalai Lama, the Cat of Many Names finds herself living with and learning from His Holiness himself. Her story includes many of the people on his staff, the townsfolk, visitors, and of course the Lamas and novices of the temple.

That was the start of The Dalai Lama's Cat series. One thing I hadn't counted on was how engaged readers would become in the life of His Holiness's Cat – or HHC, to give her official title. Because the simple fact is that characters and stories engage us at an emotional level, which most non-fiction books do not.

The Dalai Lama called the cat “my little ‘Bodhicatva.” She gained several new names in the course of her life in the monastery. One of the early ones was HHC, which meant “His Holiness’s cat.” The Dalai Lama also referred to her as his little “snow lion.”

Cats getting together is hardly 'romantic'. That the Dalai Lama and his household would be such irresponsible cat guardians as to not get their cat fixed in time is a bit much. Sorry but cat welfare is too important to ignore and causes this book to fail to a degree with its spiritual message.
