The Guns of August is a volume of history by Barbara W. Tuchman. It is centered on the first month of World War I. After introductory chapters, Tuchman describes in great detail the opening events of the conflict. Its focus then becomes a military history of the contestants, chiefly the great powers. The Guns of August thus provides a narrative of the earliest stages of World War I, from the decisions to go to war, up until the start of the Franco-British offensive that stopped the German advanc
