In this study tour we explore the ancient lands along the Bay of Naples, a crossroads in ancient Italy and the Mediterranean. Many ancient cultures including the Etruscans, Samnites, Lucanians, but primarily the Greeks and Romans, came together in this area. The Greeks sought trade and the entrance to the underworld; the Romans themselves considered the Bay of Naples a leisure paradise.

The Romans on the Bay of Naples: an archaeological guide—

About 400 years ago, a throng of dusty workmen laid down their shovels and huddled around an ancient painted wall—a fresco, technically—unearthed in a tunnel near Italy ' s Bay of Naples. The men were at work on a massive construction project, burrowing through a hill to build a canal for a local armament factory and mill.
