~~Tracker Boat Wiring Schematic | Free Wiring Diagram~~

Hey guys, I have a 2000 bass tracker, and I would like to get some type of a repair manual. I am needing a wiring diagram for the boat and would like to see exactly how to remove the decks and recarpet the boat. If anyone knows where I can find one please let me know. I did a search on google, and I really didnt find anything. Any and all help is greatly appreciated. Thanks, Matt
